

Seek Spirit-led renewal.

1. Invite the VM Missions community into opportunities for deeper engagement in prayer.
2. Develop a consistent framework for coaching staff and workers toward spiritual maturity.
3. Build a stronger sending base by investing in the spiritual vitality of supporting churches.

Empower missional disciples.

1. Make mission involvement accessible to people of various ethnic groups, callings and ages.
2. Offer practice-oriented training to board, staff, workers, church planters and partners.
3. Use a broad range of media to inspire and invite disciples into lifelong kingdom service.

Nurture diverse partnerships.

1. Broaden and deepen relationships with gospel-centered partners of diverse backgrounds.
2. Prioritize partnerships that mobilize people and resources to under-reached communities.
3. Identify and rectify barriers to greater diversity in our organizational structure and culture.

Design sustainable systems.

1. Create a feedback loop with all of our stakeholders in the VM Missions community.
2. Enhance our operations through optimizing our staffing, technology and procedures.
3. Identify and implement best practices for the healthy multiplication of disciples and ministries.
